**RESPONSE TO RESTRICTION REQUIREMENT**

Sir:

In response to the Restriction Requirement dated May 31, 2005, for which the time period to respond extends to June 30, 2005, Applicant elects the invention of Group I (Claims 1-7) with traverse.

The Examiner is requested to reconsider the Restriction Requirement since it appears that the subject matter defined within all the groups of claims are similar. Consequently, the field of search for each group should be essentially coextensive. Thus, the burden on the Examiner will not be significant to maintain each group of claims in this application.

Should the Examiner have any further questions regarding the election, the Examiner is courteously requested to contact the undersigned at the Examiner's earliest convenience.

Respectfully submitted,

Dated: June 30, 2005
